

Are you caring for a loved one at home?

Do you sometimes feel overwhelmed by all the responsibilities?

Would you like the support of a Nurse or Case Manager to help guide you and make the caregiving less stressful for you?

If you answered yes to any of these questions, then Caregiver Homes may be a service for you!

This program is offered to Mass Health recipients who live with a caregiver and need assistance with daily activities such as:

- Dressing
- Feeding
- Bathing
- Toileting
- Transferring

The Caregiver is paid a non-taxed, daily stipend for this care they are providing.
