

## ***Become a Health Care Planning Ambassador***

Ambassadors confidently engage adults in simple planning conversations to make a personal care plan to get good care today and over their lifetime.

**Tuesday, January 10, 2023, from 5 – 6:30 p.m.**  
**Live via Virtual Zoom Session**

**Join the 4000 Health Care Planning Ambassadors** statewide who confidently engage adults in simple planning conversations to make a personal plan using the Honoring Choices MA (HCM) **Getting Started Tool Kit**. The tool kit includes free multi-lingual Health Care Proxy and Personal Directive, and handy conversation guides. Ambassadors learn strategies to help adults build on their planning conversations as their health needs change with the **Next Steps Tool Kit**. Ambassadors help adults start early and on-going conversations to ensure every person's care choices are known and honored.

### **You'll learn about:**

- HCM structured approach to health care planning;
- Decision-making power of an adult, Health Care Agent and Guardian;
- 5 MA care planning documents and handy Conversations Guides Series;
- A step-by-step review of the HCM Getting Started Tool Kit;
- An Introduction to the HCM Next Steps Tool Kit.

**Participants receive:** HCM Health Care Planning Ambassador Certificate.
