Creating a Safe Space

We’d like to create a safe space for seasoned interpreters where you can feel comfortable opening up about decision making, how you have applied learned wisdom, professional judgment and managed cases.
Thought-Provoking Questions
60 seconds of Mindfulness
Case Work

- Pick two partners. (You will change partners quickly during the course of the workshop).
- Listen to case presentation.
- Answer questions on handout not on the copy of the case.
- Be ready to share.
